Conjugated linoleic acid (derived from processed safflower (Carthamus tinctorius) seed oil) (1000 mg CLA-Rich Oil provides 850 mg Conjugated linoleic acid)	850 mg
---	--------

Cautions: Not intended for children. Do not use if you have cardiovascular disease, diabetes, metabolic syndrome or insulin resistance. Consult a health care practitioner prior to use if you are pregnant or breastfeeding. Consult a health care practitioner prior to use if your goal is to achieve weight loss. Consult a health care practitioner prior to use if you are obese or have cardiovascular disease risk factors (e.g. high blood pressure, high cholesterol and/or triglycerides). Some people may experience gastrointestinal upset. Keep under normal storage condition, in a cool dry place. Keep away from Children. Do not use if the security seal is broken.

CLA™, Conjugated Linoleic Acid, is a natural antioxidant that helps the body to burn fat and build muscle. Our CLA™ dietary supplement also features Omega 6, Omega 9, Palmitic Acid, and all essential nutrients for maintaining proper health!

CLA™ is a natural occurring free fatty acid found mainly in meat and dairy products and in small amount helps the body burn fat and build muscle. Getting enough CLA™ from your diet for the preferred benefit would require considerable intake of these types of foods. Alternatively, InterACTIVE Nutrition™ offers CLA™ in a convenient capsule form.
